- About Us

## The Treatment and Research Institute for Autism Spectrum Disorders (TRIAD)

**TRIAD** is dedicated to improving assessment and treatment services for children with autism spectrum disorders and their families while advancing knowledge and training.

Our programs address community needs for cutting-edge information, high-quality support, and innovative interventions for children with autism spectrum disorders.

Need help getting started?

The [Vanderbilt Autism Resource Line](#) can connect you to the services most appropriate to your needs.

[Contact Us](#)

## Autism Spectrum Disorders Research

Our research teams work to increase our understanding of the causes, development, and treatment of autism.

## Services for Families

Our clinical and outreach teams offer a number of services to families with children who have, or are suspected of having, an autism spectrum disorder.

## Professional Training and Consultation

We provide training and direct consultation in state-of-the-art behavioral and educational

## Upcoming Events by the Vanderbilt Kennedy Center Treatment and Research Institute for Autism Spectrum Disorders

In addition to training and workshop events, the researchers and clinicians from Vanderbilt Kennedy Center Treatment for Research Institute for Autism Spectrum Disorders (TRIAD) often present special lectures regarding Autism Spectrum Disorder and related topics.

New! Some online training is now available as well.  
See [TRIAD BOTS \(Basic Online Training Sessions\)](#)

Couldn't make it?  
Check our audio and video casts....

Did you miss a special lecture? The Vanderbilt Kennedy Center records special lectures and posts them on the main website.

**Screening Tool for Autism in Toddlers and Young Children (STAT)**

**Families First Monthly Workshops**

**TRIAD Early Childhood Services (Pre-K)**

**School-Age Training Services (K-12)**

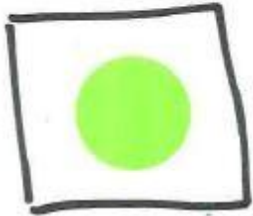

"TRIAD has been instrumental in my journey as a teacher. I feel 'prepared' with a strong foundation compared to the challenges faced by new teachers. The conferences and time spent teaching have been invaluable resources. I will continue to reach out to all available resources to help them the best way possible in the future. I will always be grateful for the support and training I received from TRIAD!"

-Katie Gregory, Special Education Teacher, Alcoa City Schools
